Considerations on the Political Regime in Romania

Dragos Marian Radulescu
Social Economic Debates

February 8, 2014

Social Economic Debates, December 2013, Vol. 2, No. 2

Abstract:
Supported since ancient times, the need for change of regime that violates the most basic rights of people nowadays become possible now become possible due to the transformations that modern society lives by imposing a universal legal order, the principle of legality and equality of men are enshrined in international treaties and constitutions of each state. The right to participate in political life of states in decision making right to vote and to be elected institutions representing state power, regardless of gender or wealth is now everyday realities whose lack would be unthinkable, but once seemed only a utopia for most people.

Satın Aldığınız Kaynaklar Güvende SAFE

- ProQuest® SAFE™ (Secure Archives ForEver) service will ensure preservation and access to content purchased by customers.
- The SAFE service is designed to grow to protect ProQuest's six centuries of books, newspapers, magazines, government documents, video and audio content – the world's largest academic archive.
- **The SAFE service will launch using Amazon Glacier, the long-term backup and data-archiving resource from Amazon Web Services**, chosen for its ability to ingest and protect ProQuest's 600 terabytes of data. ProQuest will complete the first phase of the SAFE implementation by populating the dark archive with ebook content in 2018 and will support ongoing deposits.
